

# Naomi Kariuki

A marketer by profession who is very enthusiastic in helping individuals and businesses to achieve their goals, short term, mid term, and long term. I always ensure that I deliver more than my clients' expectation. My ambivert personality really helps me in a way where my introvert side is used to listen and understand my clients' needs and wants. My extrovert side is used in working where I ensure I explore all options to do a great delivery for my clients.

Let us work together.
