

The screenshot shows a web browser window displaying an Upwork job profile for a freelancer named Richard Coldham. The browser's address bar shows the URL: https://www.upwork.com/ab/2415185/contracts/278627044904999. The Upwork logo and navigation menu are visible at the top. The profile header includes the freelancer's name, a profile picture, and a 'COMPLETED MAY 15, 2018' status with a 5-star rating and a 'Review' button. Below the header, there are tabs for 'TITLE & MOVEMENTS', 'MESSAGES & FEED', 'WORK HISTORY', and 'TERMS & SETTINGS'. The 'TERMS & SETTINGS' tab is active, showing 'Rate and Smiles' (Rate: \$10.00/hr, Total Spent: \$0.00), 'Year Feedback to Freelancer' (5 stars, 'Excellent professional, very meticulous and professional - I would definitely work with Richard again'), 'Freelancer's Feedback to You' (5 stars, 'A pleasure to work with Ayore'), 'Start Date' (May 12, 2018), and 'Hired By' (Ayore Galway). A 'Job Description' section on the right states: 'I am searching an native english speaker to proofread and review 3 cases studies that ... More'. There are links for 'View original job posting' and 'View original proposal'. At the bottom, there is a 'Respond to this feedback' button and a note: 'Credit freelancer to change feedback'. A file named 'WebSite 9Caro R...pdf' is open in the browser's bottom bar.
