

Upwork cover letter

Hey

After reading your job description I have found that you are looking for a writer who can write your web content or blog content. On the other hand, I have also found that your required skills are similar to my skills. As a result, I have good knowledge and experience in (different types of writing skills).

I am sharing my experience not only to get the working opportunity with you as a team but also for honesty. As a project owner before signing a contract, you have to know all about me and my skills.

If you want to know more about me, my skills and my writing styles then you can check my profile and portfolios. I have added a few of my completed work in my profile with links including MS word files. According to my skills, I will try to help you to complete the tasks within the given time by following your instructions.

After checking all those things if you think I have the capability to help you with your project then we can chat for a few minutes before starting work because I have a few questions about the project. Finally, if you have any questions then you can ask me Via Upwork without any hesitation. I am always available on Upwork.

Thank you for spending your expensive time on my proposal.

Best Regards

Bivhab Sarker

Hey

Wish you best of luck for your new project. After reading your job description I have found that you need help to (write non-fiction business articles for the cosmetic medical elective industry regarding marketing and business management). Depending on some hidden strategies a well-written article can promote business, sales, or website traffic.

Generally, for getting worldwide promotion through the internet it is important for a writer having the knowledge about SEO content creation strategy, using proper headings or subheadings including keywords, etc. Now in this competitive world, well research is another essential things to create original SEO friendly article and more we will discuss when we make conversation.

I have the skills as your requirements. As a project owner before signing a contract, you need to know my knowledge about the work. For this reason, I have included all the information about writing.

If you want to know more about me, my skills and my writing styles then you can check my profile and portfolios. Considering our skills, I will try to help you to complete the work.
