Job Success score

Your Job Success reflects how well you deliver great results for Your clients. This score updates about every 2 weeks. [Learn more](#)

Badges

We reward success at each stage in your Upwork journey with a badge that helps you win more work from top clients. Get and maintain a badge by consistently delivering great results for your clients. [Learn more](#)

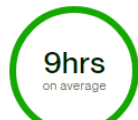

Responsiveness in the past 90 days

You respond to 100% of invites

In the past 90 days, you responded to 19 of 19 job invites (100%). Nicely done!

You answered 16 invites within 24 hours.

You respond to initial messages in 9 hours

When a client sends you a new message about a Catalog project, you usually respond within 9 hours. Great job!

On your projects, we'll show clients this message:

Highly responsive
Typically responds within a few hours

Responsiveness can help your business.

Responding to invitations quickly means contracts are started more often and more quickly, leading to more work for everyone. [Learn about response time](#)

Hours per week

More than 30 hrs/week
