

# Cut-Out Service

Client asked me remove the background and replace it with a white background. Using pen tool we did this precise cut-out edit.

# HIGH-END JEWELRY RETOUCH

**We did this flawless retouch for jewelry as the client told us to remove the background, retouch stones and metal retouch, replace color (silver, gold, and rose), and add shadow**

# GHOST MANNEQUIN

**In this project, we removed the background and wrinkle accurately as per the client's instruction. Also, we had to make the two sides symmetrical and add a neck joint for a perfect image.**

# SKIN RETOUCH

**You can see in this particular picture we removed pimples, made the skin smoother, whitened the teeth, and skin smoothening, teeth whitening, and polished the picture removing the stray hair.**

# Product Photo Editing Service

**For this project, we removed the background precisely, retouched the product for a polished look, and added a reflection shadow for a natural vibe.**

# Food Photo Editing Service

Here we edited the imperfect surface of the chocolate. Made it look smooth and nice removing dust and noise in the background.

# E-COMMERCE POST PRODUCTION

**Our E-commerce Post-Production Service ensures that your products are presented in the best possible light, encouraging trust and boosting sales.**

**We removed the background for this product so our client can display the product best possible way.**

# CAR IMAGE EDITING

**For this car, we removed the imperfect background and did a very detailed retouching including adding a shadow for a natural composure.**

# REFLECTION SHADOW

**For this jewelry we removed the unwanted background, added a reflection shadow, and retouched to create a please look.**

# SHADOWING

**We added a natural shadow for this shoe brand. Besides, we erased the background or a the perfect display.**

# HAIR MASKING

**Achieve flawless integration of hair with any background. Our skilled editors masterfully isolate and refine individual strands of hair, ensuring a natural look.**
